Meet Gus!

Gus Dean Coffee is a black-owned, artisanal coffee roastery just south of the Twin Cities in Eagan, MN.

Gus uses premium coffee beans from around the world to produce the finest coffees and cold brews known for their velvety smooth taste and luxurious coffee flavor. The beans are steeped in cold-filtered water for up to 24 hours to produce a cold brew like no other.

Gus wants his coffees and cold brews to be part of helping to create fun and relaxing experiences.

About Blueberry Kush Cold Brew

Blueberry Kush is a premium cannabis infused cold brew coffee with a rich coffee flavor and subtle hint of blueberry cinnamon.

Blueberry Kush is perfect for relaxing alone or celebrating with friends. It contains THC, CBD and caffeine.

- Delta-9 THC- Creates a slight tilt to reality.
- CBD-Provides a connected sense of well-being.
- Caffeine- Maintains energy level.

Blueberry Kush can be found in cannabis dispensaries and fine establishment throughout Minnesota.
